RT-222

AM/FM STEREO TUNER

HERE is RT-222, one of ROTEL's cost-performance out-performer. The product designed for those who want quality at low cost. In no way we have compromised ROTEL's tradition of excellence in quality to develop this fine tuner.

RT-222 has all the basic facilities you need to enjoy clear and distortion-free broadcasting but with a touch of professionalism. A smooth flywheel action, a large efficient tuning meter and a linear dial scale would assure simple yet precise operation for optimum listening pleasure.
